Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Town of Peralta project in fiscal year 2024. The entity to receive funding for this project is Peralta Fire Station, located at 90A Molina Rd, Peralta, NM 87042. The \$7,678,352.10 in funding would be used for Design and construction of a new fire station in the of Town of Peralta.

The project is an appropriate use of taxpayer funds because Peralta's current fire station is 50 years old. Peralta needs to be able to take care of their volunteer firefighters with up-to-date equipment and a safe, dedicated space. There is currently no emergency shelter available to residents in the area or in the neighboring community.

The project has a federal nexus because the funding provided is for purposes authorized by This project has a Federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Melanie Stansbury
Member of Congress
